Pleasantville, New York

Subject: Settlement of Contract No. HF-6701

Gentlemen:

25X1A The target price for Contract No. HF-6701 was [ ]  
 25X1A and your proposed final price was [ ]

25X1A An audit has been performed in accordance with the terms of  
 25X1A the contract. Based upon performance and audit findings our offer  
 25X1A for the final price is [ ] This settlement offer does  
 25X1A not include the allocated tools and test equipment costs in the  
 amount of [ ]

It is understood that tooling and test equipment costs have  
 been amortized over 106 units purchased by seven customers. Some  
 of these customers were commercial companies. In view of the  
 various Customers it is suggested that you make a reasonable offer  
 and retain title for these tools and test equipment. If your offer  
 is considered reasonable our settlement figure would be increased  
 to allow for the difference between the cost and your offer.

As of 29 May 1959 the Depot reported that all items had been  
 delivered except the following:
